

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

IN RE: CATHODE RAY TUBE (CRT)
ANTITRUST LITIGATION

MDL No. 1917

Case No. C-07-5944 JST

This Order Relates To:

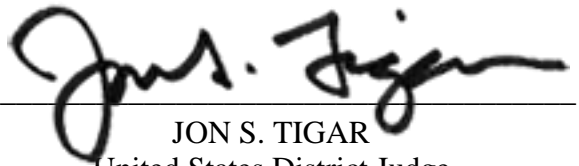

**ORDER TO SHOW CAUSE RE:
ADDITIONAL POTENTIALLY MOOT
MOTIONS**

ALL DIRECT ACTION PLAINTIFFS

Review of the docket suggests that the following motions have become moot: ECF Nos. 2964, 2965, 3127. Any party who believes otherwise is ordered to file a statement to that effect, with an explanation why judicial relief is appropriate, by April 29, 2016. If no such statement is received, the motions will be denied as moot.

IT IS SO ORDERED.

Dated: April 26, 2016

JON S. TIGAR
United States District Judge
